Small Entity Declaration—Non-Inventor Individual

I hereby declare that I am making this verified statement in satisfaction of Gerald T. Mattson

for small entity status and for less than reduced fees under 35 USC 41(a) & (b) with regard to the above entitled invention of the above applicants and described in the specification of the attached drawing.

I hereby declare that I would qualify as an independent inventor as defined in 37 CFR 1.91(c) for the purpose of paying reduced fees under 35 USC 41(a) & (b) if I had made the above described invention.

I have not assigned, granted, conveyed, or licensed, and am under no obligation under any contract or law to assign, grant, convey, or license, any rights in the invention to either (a) any person who could not be classified as an independent inventor under 37 CFR 1.91(c) if that person had made the invention, or (b) any person which would not qualify as either (i) a small business concern under 37 CFR 1.91(d) or (ii) a nonprofit organization under 37 CFR 1.91(e).

I have not assigned, granted, conveyed, or licensed, and am not under any obligation under contract or law to assign, grant, convey, or license, any rights in the invention to any person, corporation, or organization.

I acknowledge a duty to file in the above application for patent information of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying, the first fee of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer applicable under 37 CFR 1.26(b).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true, and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by the imprisonment of both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may, if proved to the satisfaction of the court, constitute perjury under any patent law or any statute in which this verified statement is made.
